

## Saint Louis University

### Food Truck Vending Rules and Regulations

#### **Statement:**

Saint Louis University (SLU) permits mobile food trucks (Food Trucks) to be operated on property owned or controlled by the University provided that prior approval has been granted by the University. This statement directs approval, location, and guidelines for how Food Trucks can be accommodated on University property.

#### **Purpose:**

The purpose of these rules and regulations are to ensure the health and safety of our community, protect our facilities and maintain compliance with insurance, liability and health codes while maintaining an orderly location and operation of Food Trucks.

#### **Scope:**

These rules and regulations apply to all employees, students and Food Truck owners/operators wishing to operate a Food Truck on University property. These rules and regulations apply to Food Trucks that are temporary and whose location is approved by the University.

#### **Responsibilities and Procedures:**

- 1) Required Insurance Coverage:
  - a. Commercial General Liability
    - i. Each Occurrence
    - ii. Damage to Rented premises (each occurrence)
    - iii. Medical Expense (any one person)
    - iv. Products/Completed Operations
    - v. General Aggregate
  - b. Automobile Liability - Combined Single Limit (Each Accident)
  - c. Workers Compensation – employers with less than 5 employees are not required to have coverage.
  - d. The vendor may satisfy the minimum liability limits required for Commercial General Liability under an Umbrella or Excess Liability insurance policy.
  - e. Saint Louis University shall be named as an Additional Insured on the vendor's Commercial General Liability, Automobile Liability and if applicable Umbrella or Excess Liability insurance policies, and the Worker's Compensation policy shall include a waiver of subrogation in favor of Saint Louis University.
  - f. Vendors must supply a current certificate of insurance, evidencing the required coverage before they will be permitted on campus.
  - g. Event Services to forward the certificate of insurance to Risk Management (riskmgmt@health.slu.edu) prior to the event.

2) Procedures:

- a. Only Food Trucks approved by the University will be permitted onto campus. These approved vendors must be verified to have all necessary health inspections and insurance requirements.
- b. Food Trucks may locate and operate only in locations established and approved by Parking and Card Services and Facilities Management (if parking on interior of campus). Site approval is a requirement for set up and operation.
- c. All vendors must agree to the following criteria and complete the University Application for Food Truck Vendor Permit.
  - i. Vendors may only serve food and non-alcoholic beverages. The sale or service of alcohol and/or beer is prohibited. The only exceptions are Homecoming Weekend and Christmas events pre-approved by Risk Management and Insurance.
  - ii. The Vendor acknowledges Saint Louis University's exclusive beverage agreement with Pepsi Co. through which only the beverages identified in such agreement may be sold on University premises.
  - iii. The vendor is responsible for removing any waste created by the operation of the truck.
  - iv. The vendor is encouraged to use recyclable or compostable service-ware and packaging when possible.
  - v. The vendor is responsible for any damage to any sidewalks, pavers or courtyards and trucks should be well maintained and free of leaks.
  - vi. No additional parking is guaranteed and if needed should be arranged through Parking and Card Services.
- d. The vendor must be invited to campus by a University student group or other University Department and may only park in the approved location coordinated with Event Services. Event services will notify Public Safety and Emergency Preparedness, Risk Management and Parking and Card Services
- e. Events Services will be the point of contact for vendors while they are on campus.
- f. Food Trucks must be removed from campus daily after use.
- g. Food Trucks will only be allowed to advertise on the truck itself.

Saint Louis University

Application for Food Truck Vendor Permit

NOTE: This application packet must be completely filled out and submitted with proof of insurance, City of Saint Louis permit (if applicable) and valid identification card for owner and any applicable responsible parties. INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED. Application for a permit to operate does not guarantee a permit will be granted. Permit approval is based upon the establishment of food truck's compliance with state and local health requirements. PERMITS ARE NON-TRANSFERABLE.

**FOOD TRUCK VENDOR RESPONSIBILITIES**

1. **OPERATION:** All state and local rules and ordinances related to the mobile vending operation must be adhered to at all times.
2. **NO HOME PREPARED FOOD MAY BE SERVED TO THE PUBLIC.**
3. **THE USE OF EXTERNAL EQUIPMENT IS NOT ALLOWED:** All equipment **MUST** be contained within or on the mobile unit at all times and must be properly enclosed.
4. **REFRIGERATION AND HEATING:** Unit must have adequate hot and cold food storage facilities to maintain food products at the required temperatures. Hot foods must be held at 135°F or above. Cold foods must be stored at 41°F or below.
5. **THERMOMETER:** Metal stem dial thermometers with a range of 0-220°F and accurate to +/- 2°F must be provided on mobile food units on which food is prepared in order to monitor food temperatures. Locate additional thermometers in all refrigeration/cold-hold units.
6. **FIRE EXTINGUISHER:** All Food Trucks using propane must have a fire extinguisher with a minimum UL classification of 2A 40BC. Trucks that require deep frying food preparation must also have an additional fire extinguisher that has a minimum UL classification of 2A “K”.
7. **PROPANE TANKS:** All vendors with propane tanks are required to bring all necessary equipment to properly secure them. A daily propane system leak check should be performed prior to putting the unit into service and after any movement of the vehicle and after movement/change or addition of any gas fed appliance. These leak checks shall be performed with a hand-held listed flammable gas leak detector.
8. **UTILITIES/WATER:** Permanent utilities (i.e., plumbing, gas, electrical, water) may not be attached to the unit at any time. At no time during operation is the mobile unit to be attached to a water hose or any other permanent water supply.
9. **HOLDING TANKS:** Fresh and wastewater holding tanks must be properly sized, permanently installed on the unit, and equipped with a valve to empty/fill the tanks from the exterior of the unit in a manner which prevents contamination of ground surfaces or mobile unit.
10. **HOT AND COLD WATER:** Unrestricted units must maintain a safe and secure water supply. Hot and cold water must be available under pressure for immediate use to all sinks at all times of operation.
11. **HANDWASHING:** Soap, individual use towels and hot water must be supplied to hand sinks at all times.

I have read and understand the items of responsibility listed above, and I agree to comply with all of the requirements. I further understand that the observed violations of these requirements may result in permit suspension and/or legal charges being filed.

**Steps:**

- 1) Department or Group notifies Event Services of their wish to have Food Trucks on campus.
- 2) Vendors fill out necessary forms to be approved as a vendor.
- 3) Event Services notifies Public Safety and Emergency Preparedness, Risk Management and Parking and Card Services and Facilities Services (if parking on interior of campus), of the vendor's wish to be on campus.
- 4) Event Services will be the point of contact for the vendors. (Telling them where to go, when to arrive, etc.).
- 5) Public Safety and Emergency Preparedness will patrol the area for the safety of the community and enforcement if necessary.
