   Philosophy
   o   SLO 7 is about social systems and whether they enhance or degrade human dignity. Is this focus central to both of these courses as described? If no, we can't map SLO 7 here.
   o   Discussed changing the language in the second bullet point of Essential Criteria to "one or more." Voted yes – 19 to use "one or more".

   Theology

- o Discussed SLO 5 as it relates to Theology course. UUCC observed that asking students to think about and discuss their own worldviews in dialogue with Catholic, Jesuit tradition is part of this course, so SLO 5 is certainly here. Keep SLO 5.
- o Discussed changing the language in Essential Criteria to "one or more." Voted yes – 16, Abstain 2
